

COMFORT & SCENT CONTROL
TAKEN TO A HIGHER LEVEL

www.oakridgehuntingblinds.com

STANDARD FEATURES

StealthSlider Windows

Large enough for rifle, crossbow and even compound bows, our **SilentGlide** track enables you to hunt with windows closed until your trophy of a lifetime is within range.

Four Season Camo Pattern

Our camo pattern is simple yet effective.

Superior Scent Control

Tight seams help to control scent.

Carpeted Floor

Carpet floor for high comfort and sound control.

Trapdoor Entry

Allows additional shooting windows. Trapdoor entry places your steps below cover, ensuring they remain dry and ice free.

Flat Packed for Easy Transport

Our blinds are easy to ship and to transport to the setup location due to our flat pack system.

Premier Metals™ Roof

High quality metal to last for many seasons.

Insulated Ceiling

Keeps heat inside and deadens the sound of rain.

LP SmartSide Siding

All LP SmartSide products feature a 5/50 year limited warranty.

Tinted Plexiglas Windows

Tinted windows conceal your movement.

All Treated Lumber on Structure

Providing a solid and lasting base for blind.

Flat Tread Ladder

Ensures easy access in all weather. Treads are routed into stringer.

Natural Interior

Neutral colors that blends with nature.

QUALITY FEATURES ARE WHY WE HAVE A
100% SATISFACTION GUARANTEED

DELIVERY & INSTALLATION

We offer delivery and installation directly to your site. Site accessibility is your responsibility. It takes us less than one hour to install a blind; that means we're in and out quickly with minimal disturbance of deer habitat.

How much is your time worth?

Even though our kits are really simple to assemble, it still takes extra time away from you. By the time you figure out which tools are needed and where all the pieces go — we would have it assembled and be heading home. How much is peace of mind worth? You can go to sleep knowing everything is put together properly and all the braces put in correct places.

CUSTOMIZE YOUR BLIND

(UPGRADE OPTIONS)

Bow Windows

The vertical windows 14"x34" are perfect for those hunting using a vertical bow, while still being very accommodating to those who hunt with a crossbow or gun.

Corner Windows

These 12"x12" windows help eliminate blind-spots and provide 360° degree access for viewing or filming. These windows do not open for shooting.

BlackOut Soundproofing

Black soundproofing board on all interior walls, insulated padding under floor carpet, and carpeted shelves provide enhanced sound protection as well as a BlackOut interior to hide your movements.

Transom Window

Clear insulated window for optimal viewing in low-light conditions. Insulated Thermopane windows do not fog up no matter what the temperature difference is from inside to outside — so go ahead and crank up your heater.

Thermopane Windows

Upgrade standard single pane windows to double pane, insulated Thermopane. These windows will not fog up. Corner and transom windows also available in Thermopane.

Side Entry Stairway and Porch

This option allows easy entry into an elevated blind for those that prefer stairs rather than ladders. The porches are available in 3' or 5'.

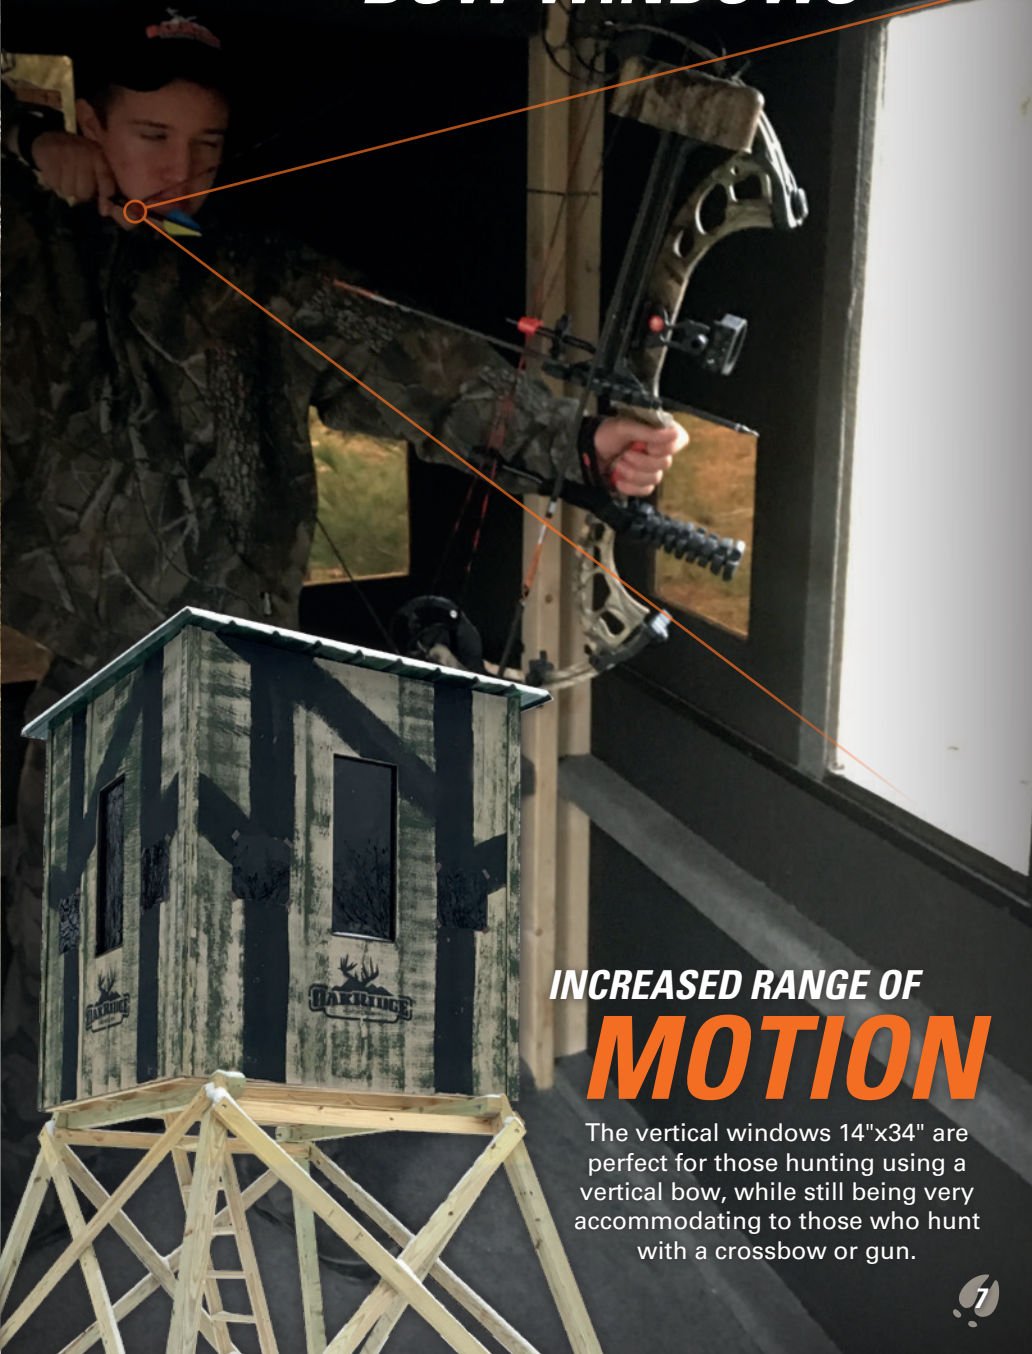

NEW TRANSOM WINDOWS

LOW-LIGHT VISIBILITY

The addition of non-tinted transom windows provides superior visibility during low-light situations. The insulated Thermopane will not fog up, regardless of temperature differences. 20"W x 9"H

STAND OR SIT **BOW WINDOWS**

INCREASED RANGE OF ***MOTION***

The vertical windows 14"x34" are perfect for those hunting using a vertical bow, while still being very accommodating to those who hunt with a crossbow or gun.

TROPHY TRAILER (5' X 8')

DELUXE
MODEL

Trailer Blinds are a great option for quickly moving in on your target buck. Street legal with lights allows you to tow blind to your property and within 30 seconds have it set up and ready to hunt. 2 models to choose from, standard or deluxe.

See Dealer for Details

THE PENTHOUSE (6' X 6')

The Penthouse - Our Best Selling Blind

The Penthouse is great for 1-3 people with room for lots of gear. Windows are split in the middle and slide sideways in either direction to create an opening only as large as needed to shoot through. Window size is 30" wide and 22" high. Interior height is 6' 6".

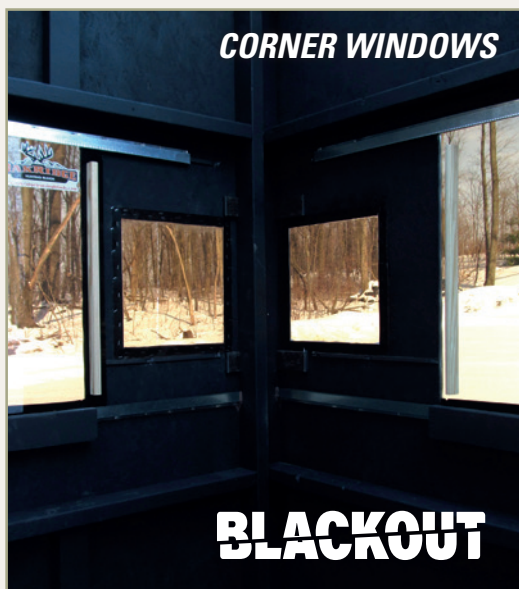

Standard

- Trap-Door Entry
- Insulated Ceiling
- Natural Interior
- Carpet Floor

Options

- Blackout Soundproofing
- Porch & Steps with Railing
- Elevate 7', 10', or 12' High
- Corner Windows
- Thermopane Anti-fog Windows
- Transom Windows

MOST POPULAR UPGRADES

Eliminate troublesome blind spots by adding corner windows and transom windows.
For viewing only, windows do not open.

Add a Standard Porch with stairway for easy entry to your blind. "Mega 5' Porch" also available.

THE MEGA BUCK (6' X 10')

The Mega Buck features a massive floor plan for you and all your friends. With 6 full-size sliding windows you will be able to watch all the action from the comfort of your own palace. Windows are 30" wide and 22" high. Interior height is 6' 6".

Standard

- Trap-Door Entry
- Insulated Ceiling
- Natural Interior
- Carpet Floor

Options

- Blackout Soundproofing
- Porch & Steps with Railing
- Elevate 7', 10', or 12' High
- Corner Windows
- Thermopane Anti-fog Windows
- Transom Windows

MOST POPULAR UPGRADES

Porches are available on **ALL** blinds.

THE GRAND VIEW (6' X 6') HEXAGON

The Grand View models are great for one or two people. The floor plan is similar to 6x6 without corners. No blind spots, 360° viewing. These windows slide upward on our StealthSlider window system. Windows are 28" wide x 16" high.

Standard

- Trap-Door Entry
- Insulated Ceiling
- Natural Interior
- Carpet Floor

Options

- Blackout Soundproofing
- Porch & Steps with Railing
- Elevate 7', 10', or 12' High
- Bow Windows with Corner Windows
- Thermopane Anti-fog Windows

THE GRAND VIEW XL (6' X 8') OCTAGON

The Grand View XL similar to the Grand View with a massive floor plan to accommodate multiple hunters with ease. 360° shooting windows all around. These tinted windows slide up and down on our Stealth Slider track. 6 windows are 28" wide and 16" high. 2 windows in center are 13" wide and 16" high.

Standard

- Trap-Door Entry
- Insulated Ceiling
- Natural Interior
- Carpet Floor

Options

- Blackout Soundproofing
- Porch & Steps with Railing
- Elevate 7', 10', or 12' High
- Bow Windows with Corner Windows
- Thermopane Anti-fog Windows

Delivery & Installation Available See Dealer for Details

THE FULL DRAW (5' X 5')

The Full Draw is great for hunting by yourself! It also works for two hunters with minimal comfort sacrifice. The advantages of a smaller blind is better visibility with less movement. Trap door entry is standard on this blind, which means four full windows. Windows are split in middle and slide sideways in either direction to create an opening only as large as needed to shoot through. These windows are 25" wide and 22" high. Blind interior height is 6'6" (shown with optional corner windows).

Standard

- Trap-Door Entry
- Insulated Ceiling
- Natural Interior
- Carpet Floor

Options

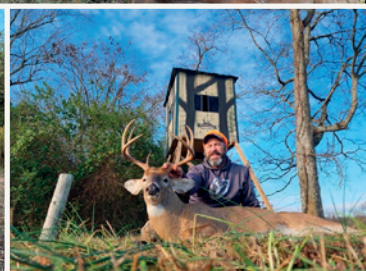

- Blackout Soundproofing
- Porch & Steps with Railing
- Elevate 7', 10', or 12' High
- Corner Windows
- Thermopane Anti-fog Windows
- Transom Windows

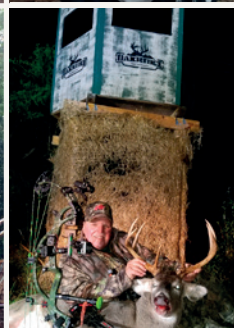

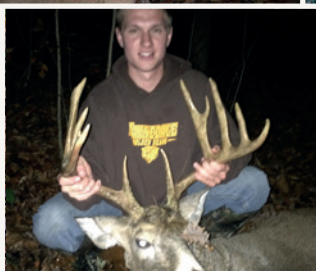

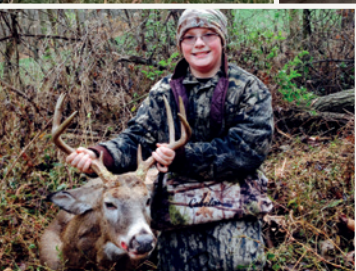

GRAVITY FEEDER

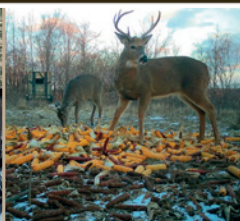

Small gravity feeder holds 200 lbs. of corn and Mega feeder 1,000 lbs. allowing you to provide essential nutrients to your deer herd year round.
